Tuesday, February 16, 2016

7:00 p.m. – 8:00 p.m.

Babies R' Us

70 Route 36, Eatontown

Your body will be your baby's home for the first nine months.

Mom, your nutrition and exercise during pregnancy is just as important as it was when you were trying to conceive.

Join Alan Martinez, M.D., a reproductive endocrinologist affiliated with Riverview Medical Center as he discusses different foods and exercises that help support a healthy pregnancy.

This event is FREE but registration is requested by calling the store at 732-935-9366, or online at <https://reserve.babiesrus.com>
